

# 2000 Series Angle Shelving

- 85”h angle posts
- Includes 5 heavy-duty shelves
- 4 shelf clips per shelf
- Shelves adjustable on 1-1/2”h centers
- Units ship unassembled
- Available in Dove Gray

Open shelving units are ideal for economical, general purpose storage. They allow light to penetrate a storage area and allow for free air flow around store materials. Open shelving units include angle posts in front and rear corners along with side and back cross braces.

Closed shelving units are ideal for materials that require additional protection or containment. These units include closed back panels as well as closed sides consisting of a welded upright assembly with angle posts in the front and rear corners. A 4”h front base prevents items from rolling under the shelving unit.

Additional shelves include shelf clips.

### STARTER UNITS INCLUDE

- 2 Upright Assemblies with angle posts
- 1 Back (Cross Brace or Closed Panels)
- Shelves with 4 Shelf Clips per Shelf

### ADD-ON UNITS INCLUDE

- 1 Upright Assembly with angle posts
- 1 Back (Cross Brace or Closed Panels)
- Shelves with 4 Shelf Clips per Shelf
