

Clearview Lockers

When you need a transparent view with excellent security, Republic's Clearview Locker is there for you. Clear polycarbonate locker doors are ideal for applications where a clear sight of the locker's contents is needed while providing security for your employees.

Clearview Lockers are engineered with high strength injection molded polycarbonate doors that meet flammability standards, making this the ideal locker for retail, pharmaceutical, institutional, and personal use.

- Clear polycarbonate doors - 12"w x 12"h
- Doors are punched to accept a number plate
- 14-gauge locker frame construction
- Five knuckle hinges
- Lapped and welded door frame corners
- Steel pull handle with built-in padlock attachment
- 6"h legs with adjustable rear legs for leveling
- Available unassembled or assembled
- Colors: Dove Gray and Classic Tan
