

Gravity Flow Racks

Republic's Gravity Flow Racks offer a host of benefits that revolutionize your storage management. These racks promote a first-in, first-out (FIFO) inventory rotation. Their modular design facilitates easy installation and expansion, adapting effortlessly to changing storage needs. With improved visibility and accessibility, items are at your fingertips, enhancing operational efficiency. Whether it's optimizing space utilization or streamlining inventory processes, Republic's Gravity Flow Racks elevate your storage solutions to new levels of productivity and organization.

STANDARD-DUTY GRAVITY FLOW RACK

Built from our boltless rivet rack, this gravity flow rack is easy to assemble and supports 1,000 lbs per level. Use this rack for storing items with quick turnover rates in order picking and retail inventory.

This rack is also ideal for pharmaceuticals and healthcare facilities that need to store medical supplies and inventory rotation for time-sensitive products.

- 48" w x 36" d Unit
- 14-Gauge Steel Angle Post Uprights
- Boltless Double Rivet Beams
- Gravity Flow Wire Decking
- Available in Dove Gray

72" H Unit - BR483672
84" H Unit - BR483684

HEAVY-DUTY GRAVITY FLOW RACK

Built from our bulk storage rack, this heavy-duty gravity flow rack is quick to assemble and supports 3,000 lbs per level. Use this rack for storing heavy automotive components and spare parts efficiently, allowing for easy retrieval and inventory management.

This rack is also ideal for distribution centers to streamline logistics operations for products that need to move quickly.

- 48" w x 36" d Unit
- 14-Gauge All-Welded Steel Uprights
- 14-Gauge Heavy-Duty Beams
- Gravity Flow Wire Decking
- Available in Dove Gray

72" H Unit - BGF483672
84" H Unit - BGF483684
