Adjustable Dividers

Get the highest density storage solution for small to mid-sized products, while also reducing your storage footprint by as much as 50%.

Republic's drawer suspension features the highest quality glides. Full extension drawers are ergonomically engineered to provide the best possible human reach points. Easily rearrange the dividers of a layout kit to customize the storage space to fit your items. Ergonomic handles include removable labels and plastic shields.

The multiple drawer access allows you to open several drawers at one time. Easily secure all the drawers at one time with the included lock and keys. The built-in forklift base allows you to easily relocate the cabinet when needed. A base cover gives the cabinet a complete and finished look.

Forklift Base
